**NOTIFICATION OF STATEMENTS
OF NUTRITIONAL SUPPORT**

This Notification is filed pursuant to § 403(r)(6) of the Federal Food Drug and Cosmetic Act (FDC Act), 21 U.S.C. §343 (r)(6).

Name of dietary supplement: PharmaLogics Selenium

Statements of
nutritional support:

Antioxidant for Cardiovascular Health; Selenomethionine is a chelated form of selenium used for maximum bioavailability. Selenium is a trace mineral that is needed for the body to use glutathione, the body's primary antioxidant. Recent research indicates that proper dietary levels of selenium may be crucial to cardiovascular health.

I certify that the information contained in this notice is complete and accurate, and that we have substantiation that the statements are truthful and not misleading.
